Dear General Walters:

On behalf of the faculty and students of The National War College, I would like to express my sincere appreciation for your participation with our visiting group last Thursday. Your lengthy question and answer session was especially candid and valuable. I have also been told that you left the group with your usual legacy of good "stories." We continue to value your support and willingness to host such a magnificent opportunity for our students to get briefed on all aspects of the intelligence business.

Sincerely,

Lt. Gen. Vernon A. Walters
Deputy Director of Central Intelligence
Washington, D. C. 20505

Dear General Walters:

As I have just finished writing to Mr. Colby at considerable length, the NWC visit to the Agency was a very great success, both from the point of view of the student body and from the point of view of the Agency. This is just to express my personal thanks for your own contribution to that occasion. As usual, you kept your audience spellbound.

Best regards.

Sincerely,
